e-mail: av.romanov@hse.ru

Dear, docent Alexander Romanov,

On behalf of the Organizing Committees, it is my great pleasure to invite you to participate in the International Conferences "Infinite-dimensional dynamics, dissipative systems, and attractors" and "Dynamics, Bifurcations, and Strange Attractors". The conferences will be held at Nizhny Novgorod State University (Nizhny Novgorod, Russia) on July 13-18, 2015 and July 20-25, 2015. Main topics of the conferences include infinite-dimensional dynamics, Hamiltonian and reversible dynamics, Patterns in PDE's, Bifurcation Theory, Strange attractors, Applications of dynamical systems etc.

I am also delighted to inform you that your work entitled "**Semilinear parabolic equations without inertial manifold**" has been accepted for a 30-min oral presentation.

I look forward to seeing you here.

Sergey V. Gonchenko,
Head of the Department of Differential Equations
of Research Inst. of Appl. Math. and Cybernetics
of Nizhny Novgorod State University,
Co-chair of the Organizing Committees
