Subject	Participation in The Petri Net Course (3 EC)	*Contact*	Prof.dr.ir. F.J. Verbeek

Herewith I declare that

Roman Nesterov
born in Perm, Russia,
on 04.05.1993

has successfully participated in The Petri Net Course in 2018 moderated by dr. H.C.M. Kleijn (LIACS, Leiden University) and prof.dr. J. Desel (Fern-Universität Hagen, Germany).

This course consists of a preparation phase; attending and passing the tests of the four half-day modules Basic Net Classes; Coloured Petri Nets 1 and 2; Timed and Stochastic Petri Nets; and a full-day tutorial module with project work on Model Checking for Petri Nets – From Algorithms to Technology under the supervision of Prof.dr. K.Wolf Institut für Informatik Universität Rostock Germany.

Therefore, the Board of Examiners has decided to award 3 EC (three European Credit points) to the candidate.

On behalf of the Board of Examiners,

Prof. dr. ir. F.J. Verbeek (chair)
Leiden Institute of Advanced Computer Science
