- 00001 Preface
- 00002 Logo
- 00003 Statement of Peer review
- 1 Municipal Facilities Management. Business activity management in construction. Process Reengineering and Information Systems.**
- 01001 Business analysis of the financial support for organic production in Montenegro – technological and organizational aspects  
*B. Melović, V. Đurišić, and S. Rogić*
- 01002 Methodical approach to determination of costs at the initial stages of the project research of gas-supply systems  
*A. Kirillova and A. Gorelova*
- 01003 Economic security of modern Russia: the current state and prospects  
*E. Karanina and K. Kartavyh*
- 01004 Accelerator of Innovations for Pre-Incubation Stage of Project Lifecycle.  
*I. Skvortsova and Y. Nurulin*
- 01005 The uniform information virtual space of construction organizations as an effective control of the construction process management  
*A. Antipova, D. Eremina and T. Shakirova*
- 01006 The Problem of Analysis and Evaluation of the Programs in a Sphere of Labor Resources Territorial Mobility  
*E. Chagina, K. Plis and I. Garbuzyuk*
- 01007 The far-seeing planning systems and models for the construction management  
*L. Petrenko, S. Manzhilevskaya, A. Shilov and Al-Hajj Ali Abdullah Saleh*
- 01008 To the problem of effective organization of pro-curement activities of construction companies  
*V. Makarov, I. Skvortsova and R. Latyshev*
- 01009 Judicial construction and technical expertise as a means of protecting the interests of participants of building process  
*A. Butyrin and E. Stativa*
- 01010 Step-by-step control of target efficiency indices of the control and measuring equipment stock applied in construction and housing and communal services  
*R. Khayrullin and P. Ivanov*
- 01011 Strategic Planning of the Tourism Development in Small Cities and Rural Territories as a Tool for the Development of the Regional Economy  
*I. Aleksandrov and M. Fedorova*
- 01012 Impact of ecosystem services on a sustainable business strategy in urban conditions  
*E. Balashova and S. Sharipova*
- 01013 Training of high-rise engineers in light of the technical innovations of the XXI century  
*I. Pryadko and I. Lebedev*
- 01014 Interval approach of time series forecasting by neural networks for the decision support system  
*V. Dubolazov and A. Somov*
- 01015 Organizational and technological genesis as a tool for strategic planning of large-scale real estate development projects  
*E. Guskova*
- 01016 Improving marketing activities of small enterprises that produce building materials  
*P. Shikov and Y. Shikov*

- 01017 Robust data analysis in innovation project port-folio management  
*B. Titarenko, A. Hasnaoui, R. Titarenko and L. Buzuk*
- 01018 The Adaptive model of Customs management  
*V. Makrusev, V. Vakhrushev and E. Lyubkina*
- 01019 Communication in a Globalized Multicultural Society: Ethnic Mentality Aspect  
*L. Drotianko and M. Abysova*
- 01020 Logistical approach to universities integration in the Russian innovation economy  
*S. Barykin and A. Kobicheva*
- 01021 State support of small and medium-sized business in Russian Federation  
*T. Borisova, E. Vorobey and T. Gvarliani*
- 01022 Innovative capacity as a factor of the municipal healthcare system development  
*A. Mottaeva and A. Zheltenkov*
- 01023 Mechanism of state regulation of competitiveness of tourist territory Krasnodar territory, Russian Federatoin  
*E. Vorobey and T. Borisova*
- 01024 Resultative approach to distribution of budget resources of municipalities  
*O. Rostova, S. Shirokova, A. Shmeleva and I. Ilin*
- 01025 Neural network model as a way of processing complex systems of econometric equations characterizing the interaction of the Russian Arctic  
*S. Antipov*
- 01026 Organization of management's construction and providing processes in the management system of construction enterprise.  
*O. Stupakova, V. Sokolnikov, I. Osipenkova, and R. Nurgalina*
- 01027 Analysis of the influence of external environmental factors on the development of high-tech enterprises  
*E. Dubitskaya and O. Tcukanova*
- 01028 The development of tourism: the experience of Russia  
*T. Lavrova and V. Plotnikov*
- 01029 Design and implementation of IT services as part of the "Smart City" concept  
*A. Lepekhin, A. Borremans and O. Iliashenko*
- 01030 Simulation modelling of the municipal sanatorium-tourist branch  
*A. Kopyrin*
- 01031 Interaction between business and government as a threat to the economic security of the state  
*M. Vlasova, O. Stepchenkova, I. Lobanova and A. Smirnova*
- 01032 Globalization impact on consumption and distribution in society  
*O. Panfilova, V. Okrepilov, S. Kuzmina*
- 01033 Transactional Costs of the Interaction between Business and Government as a Threat to the Economic Security of the State  
*A. Evmenov, S. Kuzmina and V. Vlasova*
- 01034 Digital economy. IT strategy of the company development  
*A. Borremans, I. Zaychenko and O. Iliashenko*
- 01035 Quality control of high-performance concrete in high-rise construction during operation  
*A. Davidyuk and I. Rumyantsev*
- 01036 Improving the work environment of medical personnel working with ionizing radioactive sources in Tyumen Region  
*G. Sulkarnaeva, E. Bulgakova and I. Nordman*
- 01037 Public private partnership as city project management technology  
*I. Zapivakhin, I. Ilin and A. Levina*

- 01038 Comparing investment projects of innovative developing strategies of municipalities, based on a set of indicators  
*T. Saurenko, V. Anisimov, E. Anisimov and A. Levina*
- 01039 The integrated indicator of sustainable urban development based on standardization  
*T. Leonova, I. Golovtcova, E. Mamedov and M. Varfolomeeva*
- 01040 Increasing the efficiency of personnel management in municipal organizations through controlling operational risks and fixed costs  
*A. Bril, O. Kalinina, E. Zotova and V. Vilken*
- 01041 Modern transformation of the production structure and its impact on the content of labor and the requirements for the skills and abilities of workers  
*O. Rasskazova, O. Kalinina and E. Zotova*
- 01042 Model for assessing the financial potential of the region  
*T. Miroshnikova and N. Taskaeva*
- 01043 Innovations in redevelopment projects  
*D. Radushinsky, A. Radushinskaya, I. Radikov, O. Feoktistova and A. Butyrin*
- 01044 Franchising technologies for sustainable economic development  
*E. Ganebnykh, A. Mottaeva, T. Larinina and E. Petrova*
- 01045 Organizational-and-methodical support of sustainable development strategy in the medical sphere  
*A. Mottaeva*
- 01046 Financial Support Problems of Developing a Territory`s Touristic Potential  
*N. Kataeva, I. Marakulina, Y. Snigireva and S. Barinov*
- 01047 Public-private partnerships: approaches to assessing economic effects for stakeholders  
*E. Markovskaya, V. Holodkova, D. Radushinsky, O. Feoktistova and A. Borisova*
- 01048 Evaluation of innovation activity science-intensive and high-tech of enterprises  
*T. Meshcheryakova*
- 01049 Assessment of the efficiency of social innovative-and-investment projects according to the social sphere direction  
*V. Glazkova and E. Marchenko*
- 01050 Perspective trends in financing of housing-and-communal services  
*E. Vasilyeva*
- 01051 Role of leasing for sustainable development of the Russian economy  
*V. Gerasimova*
- 01052 Methodical approaches to the assessment of efficiency of investment projects in the municipal sphere  
*V. Glazkova*
- 01053 Formation of mechanism of programme management for the development of medical organizations  
*A. Mottaeva*
- 01054 Modern trends in the world food security  
*L. Kopteva, L. Shabalina and A. Prorokov*
- 01055 Students' Creative Workshop as Human Resource Management in Municipal Facilities and Urban Development  
*O. Solnyshkova and E. Boiko*
- 01056 A rationale for choosing the mechanism of public-private partnership for the sustainable development of social infrastructure facilities  
*A. Dubgorn, I. Zaychenko and N. Grashhenko*
- 01057 Ecological state of the urban environment as an object of forensic analysis within the period of introducing the judicial reform of Russia  
*E. Voskresenskaya, D. Mokhorov and A. Tebryaev*
- 01058 Legal regulation of land granting for construction in cities with federal status  
*E. Voskresenskaya, N. Zhilskiy and E. Shariapova*

- 01059 Some issues of legal regulation of electronic commerce in the Russian Federation  
*V. Belykh, A. Gubareva, L. Dobrynina and L. Gudovicheva*
- 01060 Problems of modeling further development of civil legislation of the Russian Federation  
*M. Semyakin, L. Dobrynina, A. Gubareva and L. Gudovicheva*
- 01061 Evaluation of the coaching effectiveness as an instrument for motivating company's employees  
*A. Minnullina, R. Abdrazakov and P. Graboviy*
- 01062 Software engineering of interactive educational resources for university student training in urban development courses  
*O. Solnyshkova and E. Dudysheva*
- 01063 Professional education for digital economy: trends and prospects  
*D. Barsukov, S. Kuzmina, N. Morozova and A. Pimenova*
- 01064 Evaluation of the working life quality as a part of the human resources management system of a modern enterprise  
*O. Frolova, A. Kopytova and E. Matys*
- 01065 The issues of infill development in cities of the Tyumen region  
*D. Izvin, V. Lez'er and A. Kopytova*
- 01066 Issues of human resources management in the enterprises of the machine-building complex of the Tyumen region  
*V. Lez'er, M. Gusarova, and A. Kopytova*
- 01067 A smart city is a safe city: the current status of street crime and its victim prevention using a digital application  
*Y.V. Truntsevsky, I.I. Lukiny, A.V. Sumachev, and A.V. Kopytova*
- 01068 Risk assessment related to the choice of contractors performing the job  
*I. Valitova, T. Trofimova, T. Simankina and E. Stein*
- 01069 Assessment of labor potential on the regional level by the index method  
*M. Simonova, S. Kolesnikov and T. Karakova*
- 01070 Reforming the financial system to insure the provision of health-resort services  
*A. Baranova and S. Kegeyan*
- 01071 Management, mechanization and automation of work in the construction of high-rise buildings  
*P. Kagan*
- 01072 The methodology for designing health and spa business processes  
*I. Potashova and Y. Dreizis*
- 01073 Problems of assessing the financial stability and security of municipalities  
*E. Ushakova, H. Pak, and A. Kuprin*
- 01074 Application of fractal properties in studies of financial markets  
*S. Erokhin and O. Roshka*
- 01075 Supplement of differential equations of fraction order for forecasting of financial markets  
*S. Erokhin and O. Roshka*
- 01076 Cloud interaction technologies in the design and construction.  
*N. Garyaev and A. Rybakova*
- 01077 Formation of competitive skills of civil engineers in the field of BIM technologies.  
*V. Garyaeva*
- 01078 Reframing motivation of modern leaders in investment and construction sectors in focus of organizational management  
*L. Vlasenko and I. Ivanova*
- 01079 Cartographic modeling for monitoring the technical condition of urban development objects  
*M. Dement'eva and A. Dement'eva*

- 01080 Innovations as an instrument for efficient municipal management  
*Y. Boriskina*
- 01081 Technical and economical factors in green roof using to reduce the aircraft noise  
*E. Korol, N. Shushunova, O. Feoktistova, T. Shushunova and O. Rubtsov*
- 01082 Economic efficiency of the state program of renovation in Moscow  
*S. Kolobova*
- 01083 Perspectives of state investment policy in Russia  
*A. Rumyantseva and O. Smeshko*
- 01084 Special aspects of technological entrepreneurship financing at the present stage  
*A. Rumyantseva and V. Bichurina*
- 01085 Legal aspects of Blockchain`s technology applicability for registration of intellectual rights  
*L. A. Novoselova and E. S. Grin*
- 01086 Substitution of the labor market in the construction industry by technical and automated systems  
*S. Prokhorov*
- 01087 Tax system of consolidated taxpayers groups in Russia and ways of its improvement  
*J. Leontieva, G. Klychova, E. Zaugarova, A. Zakirova and A. Klychova*
- 01088 The effectiveness of housing renovation programs in the Russian Federation  
*P. N. Kostrikin*
- 01089 State support mechanisms of small and midsize business entities  
*V. Vorobyeva*
- 01090 Modeling of the investment project of construction the cottage settlement  
*V. Malyuk and A. Danilov*
- 01091 The influence of factor space on the value of discount rate in the assessment of investment projects  
*Y. Anoshina, V. Gusev, S. Suchkova, R. Gorshkov and E. Smorodina*
- 01092 Methods to improve the capitalization level of enterprises  
*O. Anichkina, I. Bogonosova, L. Prykina, T. Dubrovskaya and A. Zaretskikh*
- 01093 Specificities of the estimation of efficiency of investment and construction projects at various stages of their life cycle  
*A. Bobkov, B. Orlov, N. Belozerova, I. Provotorov and I. Kozlova*
- 01094 Development of the mechanism of motivation and tangible incentivisation  
*L. Lavrova, N. Chernegov, M. Ivanova, Z. Lemesheva and E. Akimova*
- 01095 Development of an assessment methodology for innovation activity of construction enterprises  
*N. Shovunova, D. Vorobyev, V. Dikareva, S. Archakova and Y. Serebryakova*
- 01096 Methodological approaches to the assessment of capitalization of construction enterprises  
*I. Lukmanova, A. Chizhik, A. Fadeev, Y. Lavrinenko and E. Sharapova*
- 01097 Management of the innovation and investment cycles at the energy enterprises  
*E. Zubeeva, M. Mirgorodskaya, Y. Geraskin, A. Chugunov and O. Belyantseva*
- 01098 Methods for assessing the efficiency of innovation activity of enterprises of the electric power industry  
*V. Gusev, T. Naumkina, N. Voytolovskiy, E. Minaeva and O. Zemskova*
- 01099 Management of innovation processes at the enterprises of the construction materials industry  
*N. Voytolovskiy, E. Maslyukova, M. Aleksandrova, V. Dikareva and A. Fadeev*
- 01100 The system of management of innovative potential of economic systems  
*M. Kostyshak, L. Poletaeva, N. Ershova, R. Sarukhanyan and Z. Petrikova*
- 01101 Assessment of efficiency of innovative heat-insulating materials' usage at implementation of urban construction projects  
*O. Papelniuk*

- 01102 Theoretical aspects of substantiating the efficiency of economic decisions aimed at development of high-rise housing construction  
*E. Nezhnikova*
- 01103 Organizational and technical support of compliance of the energy performance class with the performance standards for construction of high-rise residential buildings  
*A. Larionov*
- 01104 Innovative construction technology for the development of urban space  
*O. Kurakova*
- 01105 Alternative financial models for attracting investments in municipal investment and construction projects  
*O. Kurakova*
- 01106 Application of machine learning methods in big data analytics at management of contracts in the construction industry  
*M. Valpeters, I. Kireev and N. Ivanov*
- 01107 Big data: perspectives of using in urban planning and management  
*N. Ivanov and M. Gnevanov*
- 01108 Peculiar features of social infrastructure development for the purposes of enhancement of urban environment comfort  
*A. Orlov and I. Chubarkina*
- 01109 The offshore companies in construction: theory and practice  
*A. Matusevich*
- 01110 A selective study of Information technologies to improve operations efficiency in construction  
*A. Konikov*
- 01111 Fuzzy logic in construction management  
*F. Klashanov*
- 01112 Management in the heat-supplying organizations on the basis of balance models  
*E. Evseev and T. Kisel*
- 01113 Application of digital technologies to increase business activity in construction  
*N. Safronova, A. Budakov and E. Ivankina*
- 01114 Insurance as a factor affecting the effectiveness of the financial mechanism of the governing structures  
*N. Vaynshtok*
- 01115 Computer-aided design and Computer-aided engineering  
*A. Kolbasin and O. Husu*
- 01116 The formation of a criteria-based approach in the development of projects of redevelopment of industrial real estate  
*V. Kankhva, B. Orlov, A. Vorobyeva, S. Belyaeva and R. Petrosyan*
- 01117 Theoretical justification for development as an institution for the development of investment and construction  
*E. Soboleva*
- 01118 Sustainable economic development at the meso level: factors and ratings  
*K. Kulakov, S. Belyaeva, O. Belyantseva and A. Gamisoniya*
- 01119 Ensuring and assessing the sustainability of a management system of the investment and construction complex at the meso-level  
*S. Uvarova, L. Myshovskaya and K. Kulakov*
- 01120 Algorithms of hierarchical mixture of opinions of experts in problems of synthesis of information management systems city development  
*I. Pocebneva, V. Belousov, I. Fateeva, V. Lukinov and T. Folomeeva*
- 01121 Introduction of management innovations in the work of municipal organizations  
*T. Averina, E. Avdeeva and O. Perevalova*

- 01122 Competitive mechanisms of the functioning of social and economic systems  
*V. Poryadina, V. Burkov and S. Barkalov*
- 01123 Estimation of the state of the road industry of Voronezh: ways of modernization and modern methods of its development  
*A. Polovinkina, T. Sviridova and I. Kuleshova*
- 01124 Optimal placement of maintenance facilities  
*S. Barkalov, P. Kurochka and T. Nasonova*
- 01125 Substantiation of the methodological approach to the assessment of the investment climate of the regions  
*S. Uvarova, K. Gumba and D. Lapaev*
- 01126 Methodical bases for forming the structure of management of innovative activity of large building holdings  
*E. Sizova, E. Zhutaeva, R. Gorshkov, V. Smirnov and E. Kochetkova*
- 01127 Development of optimal management strategies for sustainable development of port clusters in the Russian Far East  
*M. Moiseeva, M. Melnikova and A. Ogneva*
- 01128 Reengineering of processes of classification in neural intellectual information systems of city development  
*V. Belousov, P. Kurochka, T. Nasonova, T. Narezhnaya and D. Spitsov*
- 01129 Methodology for determination of the priority directions for the city's industrial development  
*I. Palatkin, A. Pavlov and A. Kudryavtsev*
- 01130 Revitalization of urban areas on the basis of industrial parks  
*V. Filatov, G. Yazev and O. Sagina*
- 01131 Renovation of industrial territories in single industry towns on the basis of industrial parks  
*V. Filatov, Z. Dibrova and N. Zhukova*
- 01132 Evolution of management of local development processes (on the example of Bagrationovsky district of the Kaliningrad region)  
*A. Gorokhov, A. Ignatyev and V. Smirnov*
- 01133 Criteria of the estimation of residential appeal of the territories in the construction of high-rise complexes  
*L. Manukhina*
- 01134 Organization and management of mobility of building production and its distinctive features  
*L. Manukhina and L. Prykina*
- 01135 Graph-analytical interpretation and modeling of phase portraits of cellular structures during their phase transformations  
*V. Kulikov*
- 01136 Methodology for economic assessment of energy-saving solutions in the reconstruction projects of residential buildings  
*V. Politi*

## **2 Modeling and Planning in Sustainable Urban Development**

- 02001 Saint-Petersburg landscape scenarios and green architecture in the strategy of urban development  
*A. Vaytens and Y. Yankovskaya*
- 02002 Significance of management in valorization of old urban units based on Montenegrin example  
*Rifat Alihodzic*
- 02003 A Business Balance Model of Interaction between Structures Participating in Sustainable Development of Cities  
*L. Kamenik*
- 02004 Integration Capacity of Russia's Far East in Multipolar World  
*M. Sorokin and A. Sorokin*

- 02005 Strategic map as a tool for increasing the investment attractiveness of the regional construction sector: case of the Murmansk region  
*A. Kozlov, A. Teslya and E. Tereshko*
- 02006 Industrial clusters in St. Petersburg as a basis for development of Arctic territories  
*E. Khutieva, A. Maizel and M. Vlasova*
- 02007 Innovative projects for sustainable development of cities (case of Saint-Petersburg)  
*S. Evseeva, O. Kalchenko and O. Evseeva*
- 02008 The Moon influence on Vertical Lines Deviations as Geodetic Instruments of Urban Territories Development  
*Y. Kravchenko*
- 02009 Monitoring as an instrument of Sustainable Urban Development  
*T. Kharlamova*
- 02010 Cluster policy in conditions of innovative development of the region  
*E. Ushakova, E. Voronina, O. Kim and E. Fugalevich*
- 02011 Change of the functional purpose of the object through urbanistic analysis  
*L. Talipova, E. Kosyakov, M. Romanovich and M. Lunyakov*
- 02012 Planning of the territory of large cities of Russia in the interests of their sustainable development  
*O. Popova, M. Perekopskaya and G. Godumova*
- 02013 Realization of smart city concept through media technology in architecture and urban space: from utopia to reality  
*A. Adonina, E. Akhmedova and A. Kandalova*
- 02014 Spatial Aspects of Urban Planning: A Case Study for Saint-Petersburg Agglomeration  
*V. Garmanov, V. Bogdanov, V. Badenko and V. Zaikin*
- 02015 Pre-project evaluations of All-Russian Exhibition Center landscape park ponds condition  
*L. Frishter*
- 02016 Innovation processes management and its efficiency for area development  
*E. Chirkunova, N.N. Belanova, A. D. Kornilova and N. V. Ryduk*
- 02017 Soils swelling as a regional feature of Western Siberia  
*D. Eremin*
- 02018 Methodology of planning social infrastructure development to create a comfortable urban environment  
*S. Ershova, T. Orlovskaya and S. Shishelova*
- 02019 Functional and spatial model of university complexes transformation into structural elements of Samara-Togliatti agglomeration innovative development cluster  
*E. Akhmedova and A. Zhogoleva*
- 02020 Measurement errors of electromagnetic fields of industrial frequency in urban areas  
*M. Amirkhanyan and F. Bryukhan*
- 02021 Formation of "Urban planning" indicators for "Smart City" concept (on the example of SKOLKOVO, Moscow)  
*Olga Chudiniva and Marina Afonina*
- 02022 Characterization of the new dormitory towns visual environments and its perceptual influence on their residents  
*N. Luchinin, M. Asylgaraeva, S. Startsev and N. Samosudova*
- 02023 Zoning of the territory with snow removal using snow melting plants  
*A. Ivanova, S. Pavlov, L. Akimov and L. Zakharova*
- 02024 Geoelectrical Survey of Active Layer Depth in Urban and Mature Environments of Yamal Region  
*I. Alekseev, E. Abakumov, L. Akimov and Lubov Vorona-Slivinskaya*
- 02025 Drainage of Small Volume Reservoirs on the Technogenic Territories  
*Y. Davydova, Y. Volkova, A. Nikonorov and M. Aleksandrovskiy*

### 3 Engineering Systems and Building Materials

- 03001 Design and Improvement of foundation soil for high-rise construction  
*K. S. Fahmi, M. Y. Fattah and A. Pustovgar*
- 03002 Prognostication of relations between the buildings age and deterioration of construction  
*D. Novitckii and M. Romanovich and D. Makhov*
- 03003 Sanitation of the buildings of the first mass series in Arkhangels  
*N. Brenchukova, O. Popova and V. Murgul*
- 03004 Prospects of electric heating applying in Russian cities to ensure their sustainable development  
*R. Okorokov and A. Timofeeva*
- 03005 Sustainable development and reconstruction of the architectural ensemble in Kirzhach, depending on the natural processes on its territory  
*S. Chernyshev, A. Evgrafov and I. Evgrafova*
- 03006 University energy management improvement on basis of standards and digital technologies  
*O. Novikova, S. Shirokova, A. Tabakova and A. Shadrin*
- 03007 Danger of underground erosion and sinking of the building of pumped storage energy plant in Zagorsk  
*A. Lavrusevich*
- 03008 Metal in the design of public transport stops  
*L. Gnatiuk and H. Novik*
- 03009 Gypsum composites, improved by applying basalt dust  
*V. Petropavlovskaya, A. Buryanov, T. Novichenkova and K. Petropavlovskii*
- 03010 Providing acoustic comfort of built-up zones and rooms in urban planning  
*V. Bespalov, N. Samarskaya, E. Lysova and O. Akay*
- 03011 Reasonability to use device for making horizontal wedge thrust of rolling stand  
*V. Artiukh, V. Mazur, S. Kargin and N. Bushuev*
- 03012 A variational method in the problem of convective heat transfer near the vertical plane of the outer building fence in terms of free air movement  
*A. Aksenov*
- 03013 Problems of Logical-mathematical Modeling in the Course of Cribwork Quay Design: Innovative Methods of Civil Engineering  
*I. Pryadko*
- 03014 Moisture behavior calculation of single-layer enclosing structure by means of discrete-continuous method  
*V. Gagarin, V. Akhmetov and K. Zubarev*
- 03015 Evolution of medical architecture  
*N. Tesler*
- 03016 The main directions of increasing the reliability of gas distribution systems in high-rise districts  
*V. Zhila and E. Solovyeva*
- 03017 To the issue of energy efficiency of using frequency-controlled centrifugal pump units  
*A. Dmitriev and V. Gerasimov*
- 03018 Evaluation of mineral fiber properties using x-ray fluorescence analysis and measurement of natural radioactivity  
*A. Medvedev, E. Bobrova, A. Poserenin and E. Zarmanyay*

- 03019 Drilling-and-blasting method of demolition  
*D. Sinitsyn*
- 03020 Repair with resource reserve  
*V. Varnikov*
- 03021 The clays after heat treatment as the concrete active mineral additive  
*O. Bazhenova, S. Bazhenova, V. Nemirova and D. Bazhenov*
- 03022 Modified gypsum binder  
*M-B. Kh. Kodzoev, S. L. Isachenko, S. A. Kosarev, A.V. Basova, A.V. Skvortzov, M. O. Asamatdinov and A. D. Zhukov*
- 03023 A new method for calculating the combined anchor-concrete support of underground structures  
*M. Pleshko, B. Meskhi and M. Pleshko*
- 03024 About mathematical modeling of aerodynamic characteristics in devices with a leakage of the impact systems of plane-parallel streams on the heat exchange surface  
*L. Haritonova, V. Azarov and I. Stefanenko*
- 03025 Constructive features of the bank protection structure of water recreation facility in Arkhangelsk  
*A. Kopteva and A. Lukin*
