# Welcome Message

On behalf of the organizing committee, we would like to extend a warm welcome to all the participants of the 2017-4th International Conference on Control, Decision and Information Technologies (CoDIT'17) being held at Faculty of Mathematics, in the UPC South Campus, Barcelona - Spain on April 5-7, 2017.

The first edition of this conference was held in Hammamet, Tunisia in May 2013, the second one in Metz, France in November 2014 and the third edition in St. Paul's Bay - Malta on April 6-8, 2016. We consider ourselves fortunate to have the opportunity to organize CoDIT'17 in Barcelona - one of the most beautiful and exciting cities in the world.

In addition to the regular papers, CoDIT'17 program includes exciting plenary keynotes and special sessions. We have received around 423 papers from 64 countries worldwide that yielded 204 valid papers. The acceptance rate for this edition was around 48%. Authors from all continents honored us by reporting their original work, in all areas of Control, Optimization, Decision, Engineering, Computer Science and Information Technologies. We thank them for submitting their work to our conference.

We would like to express our gratitude to our technical sponsors, the "Universitat Politècnica de Catalunya", the IEEE Systems, Man, and Cybernetics Society – IEEE SMC, the IEEE Control Systems Society – IEEE CSS, the IEEE Spain Section and the International Institute of Innovation, Industrial Engineering and Entrepreneurship – I<sup>4</sup>E<sup>2</sup>.

Finally, we would like to thank all the members on the organizing committee for their extraordinary efforts to ensure that this conference will be a successful one.
